

# SOCIAL MEDIA & BACKGROUND CHECKS

## THE AVERAGE PERSON SPENDS TWO-AND-A-HALF HOURS A DAY ON SOCIAL MEDIA

Clues are left behind which might be relevant in assessing your claims.

Critical pre-loss and post-loss details can be found in all kinds of digital and social media activity, uncovering vital details you'd never find in public records or incident reports. The right investigator is trained to uncover it all.

### Other investigators rely heavily on web crawler services, but they're limited

Our licensed investigators are trained in game-changing technologies that go beyond mere web crawlers. Applying specialized techniques and technology, our licensed investigators systematically review an individual's digital presence, social connections and online behavior, revealing important discrepancies or patterns of behavior.
